St. John's Episcopal Church

Thanks to a grant from the Episcopal Foundation of Dallas, Jennifer and Drew Boatman, who were married at St. John's in 2015 (see their lovely picture at left) were hired as the new part-time Youth Ministers at St. John's.

Jennifer and Drew will be working with the Jr. High (grades 6 to 9). Drew led St. John's youth group members at this summer's VBS, where they functioned as **super** VBS helpers for the adult leaders and as guides for the campers.

The Sunday after VBS the youth spent a terrific afternoon at Hawaiian Falls, along with their new youth ministers and a couple of parent chaperones.

Plans for a great "Youth Group" year are well underway, and include Wednesday evening youth group as well as Sunday morning Confirmation classes.
